- Service at the bar and preparation of small community events
- Support with various administrative tasks
- Project management of various new initiatives
- Helping us shape the future of the co-living sector with your inputs and creative ideas

WHAT WE EXPECT:

We're looking for someone with a "host" mentality and a customer-first attitude.

You should be:

- warm and authentic, with excellent communication skills and a willingness to learn
- flexible and adaptable,
- fluent in English (and ideally German)
- have a 'hands on' attitude.

WHAT WE OFFER:

In return, we offer a challenging and rewarding opportunity with a lot of responsibility and room to grow. You'll be part of a young and dynamic team, working in an innovative field with a bright future. And of course, we'll provide accommodation for the duration of your internship.
